

APPLICATION FOR PERMIT TO PERFORM ELECTRICAL WORK
FOR INSTITUTIONAL* USE ONLY

This form is for use by institutions employing licensed electricians and other for which notice of electrical installations to the municipal Inspector of Wires is required for work on the premises of the institution. If you are not an employing institution pursuant to C. 141 §8 of the Massachusetts General Laws, stop here. You cannot use this form. Use the standard form only.

(PLEASE PRINT IN INK OR TYPE ALL INFORMATION) Date: _____
City or Town of: _____ Leominster To the Inspector of Wires:

By this application the undersigned gives notice of the on-premises performance of electrical work by employees.

Institution: _____

Address: _____

Location and Nature of Proposed Electrical Work: _____

NOTE: C. 143 §3L of the Massachusetts General Laws obliges those who perform electrical installations to give notice of same to the municipal Inspector of Wires. You may do so by filling this form upon each such occasion, or if so contemplated in an annual permit fee schedule set by the municipality you may maintain a contemporaneous log of such work, which shall be exhibited to the Inspector of Wires during normal business hours without advance notice. Some municipalities may set nominal fees for annual permits and require individual permits for work above a stated magnitude.

We will file this form on each such occasion (check one): YES ☐ NO ☐

We will maintain one or more contemporaneous log(s) (check one): YES ☐ NO ☐

This option is available where so contemplated by the municipality. In these cases, you must renew this application annually and upon significant changes in employment.

The following individual(s) will be responsible for the accuracy of the log(s), if maintained. You agree that the log(s) will be located as indicated below. The coverage in any individual log must be for contiguous property except by arrangement with the Inspector of Wires.

Attach supplementary sheets if required for additional log locations.

Log coverage, and location where it will be maintained	Responsible person

You may maintain the logs electronically upon agreement with the Inspector of Wires. If you intend to apply for such a procedure, indicate below how the Inspector of Wires should access the log:

How many electricians and/or system technicians (as licensed by the Board of State Examiners of Electricians) do you employ at your facility? Indicate the total number and also indicate the number of full-time equivalent staff that number includes:

Total electrical employment: _____ Full-time equivalent electrical employment: _____

How many helpers or apprentices do you employ to assist your licensed staff, under their direct supervision (see c. 141 §8)? In general, this number must not exceed the ratio of one licensed individual to one unlicensed individual. Limited exceptions apply for veterans (see St. 1962, c. 582 §3 as amended by St. 1979, c. 156). Indicate the total number and also indicate the number of full-time equivalent staff that number includes:

Total electrical employment: _____ Full-time equivalent electrical employment: _____

Not all electrical work for which notice to the Inspector of Wires is required must be performed by licensed personnel. How many such persons, not required to be licensed, do you have in your employ? Indicate the total number and also indicate the number of full-time equivalent staff that number includes:

Total electrical employment: _____ Full-time equivalent electrical employment: _____

NOTE: Some institutions enter into contracts with contractors to perform ongoing electrical work at an institution, similar to institutional employees. If, by the terms of such a contract, you direct the performance of such work, include the numbers of such employees in this application. If the contractor directs such performance, of if the contract period is for less than one year, application must be made by the contractor on the standard form for such work.
Do not include such employees in this application.

Please give your official title, such as “Director of the Physical Plant” or “Director of Facilities” or equivalent. In addition, provide a statement that substantiates your authority to hire electricians pursuant to c. 141 §8 for electrical work on the premises of your institution, and to establish priorities for the performance thereof. This form is not to be construed as a grant of authority to direct any licensee of the Board of State Examiners of Electricians to perform work in contravention of the rules of said Board, or in contravention of the Massachusetts Electrical Code.

My title is: _____

My authority to act for aforementioned institution is: _____

I certify, under the pains and penalties of perjury, that the information on this application is true and complete.
